 - 14 matte colours including 3 collection colours (according to fashion - home decoration trends)
 - 3 metallic colours
 - 4 pastel colours
 - 2 fluorescent colours
 - 3 Collection colours
- In 100ml spray

2 PROPERTIES

Water-based spray paint for decorating most dark or light textiles. Bright and luminous, the colours are layerable thanks to their good opacity. Good lightfastness.

- Drying: 15 min air dry. Tumble drying is not recommended.
- Media: **most dark or light fabrics, pre-washed natural or synthetic fibres (linen, cotton, polyester...).**
- Opacity: Opaque and semi-opaque colours (see table below).
- Application: Two possibilities:
 - By ironing for 5 minutes, on a cotton setting without steam, on the reverse of the fabric.
 - In a domestic oven for 5 minutes at 150°C (stable temperature).
- Care of decorated fabrics: after application, decorated textiles are machine washable at 40°C or by hand. Dry cleaning is not recommended.

- Care of used spray: The spray is applied using the brush, which requires some care. Must be cleaned after each use, emptied and left upside down. And clean the nozzle with water.
- o Storage: Keep away from extreme heat and cold.

3 APPLICATIONS

Recommendations before use:

- Shake the spray well before use.

Preparing surfaces:

- Textiles must be pre-washed before decoration.

Techniques :

- Spray at a distance of about 20 cm from the fabric.
- Hold can upright during use.
- Easy to handle: format adapted to grip.
- Low pressure for optimum accuracy.
- Multiple techniques to use in combination with the 7A stencils and the removable 7A Spray Glue.

Application and care:

- To apply the 7A Spray colours, iron the reverse of the decorated fabric, holding down for 5 minutes and adjusting the iron temperature to the cotton setting without steam. It is also possible to put the fabric in a domestic oven: after 5 minutes at 150°C (stable temperature), the colours will be fixed.
- After fixing, the colours will be machine washable at 40°C or washable by hand.
- Dry cleaning is not recommended.
